關於香港兒童探索博物館

About Hong Kong Children's Discovery Museum

香港兒童探索博物館(簡稱「兒童探索館」)是香港首間及唯一的兒童博物館，提倡「在遊玩中學習」，讓孩子和家庭學習語言和讀寫能力、科學、技術、工程、藝術和數學(S.T.E.A.M.)、文化及環保意識，以及培養孩子的自主學習態度。

兒童博物館專為10歲及以下兒童設計，鼓勵跨代終身學習，歡迎從初生到100歲的人士親身到訪體驗。兒童博物館提倡非指導式的遊玩和學習體驗，鼓勵成人讓兒童主導各自的學習體驗和探索方式，多動手、多思考。

兒童探索館是《稅務條例》第 88 條獲豁免繳稅的慈善機構 (91/18412)，並不隸屬於任何政府機關，企業或團體。兒童探索館亦是美國兒童博物館協會之成員。

Hong Kong Children's Discovery Museum (CDM) is the city's first and only children's museum dedicated to play-based learning experiences in the areas of language and literacy, S.T.E.A.M., culture and environmental awareness/stewardship.

Designed especially for children 10 years old and under, everyone older and up to 100 years old is also welcome to visit CDM! CDM promotes child-led learning experience which encourages adults to let children lead their own learning experience and exploration.

CDM is a Section 88 charitable organization (91/18412) that is not affiliated with any government, organization or corporate. CDM is a member of the Association of Children's Museum.

* 受條款及細則約束。 * Terms and conditions apply.
