Offer 2- Preferred rate and room upgrade on End-to-End Maternity Programme

This offer is suitable for members who wish to experience a complete pregnancy journey with Matilda, from antenatal stage (Part A) to delivery (Part B) and postnatal care (Part C). Members will be assigned a doctor who will provide guidance throughout the journey including delivering the baby. The antenatal appointments will be carried out at the Matilda Medical Centre in Central or Outpatient Department on the Peak.

The Matilda End-to-End Maternity Programme is a flexible programme and it's one of the most cost-effective ways to enjoy private maternity care. Members can join from any stage and do a combination of both public and private antenatal care. However, at least two antenatal sessions must be attended for doctor to screen the pregnancy condition before the delivery.
